Asymmetric LED headlights

The look of a true desert fighter, the LED asymmetric headlights provide excellent visibility on and off road.

Two-channel disc with ABS

Two-channel ABS is fitted as standard and gives the rider the option to switch off the rear caliper for independent control when you need it.

Large capacity fuel tank

The 10.1 litre fuel tank, with a 1.6L reserve, perfect for a long weekend tour and good measure for a bit of off-road too.

Rear Suspension

Pro-Link rear suspension features a ratio revised for rider comfort. The Showa shock absorber is a single tube design with 40mm diameter cylinder.
